

CITY OF CORONADO

1845 STRAND WAY
CORONADO, CALIFORNIA 92118

RECREATION DEPARTMENT
(619) 522-7342

The City of Coronado Municipal Code 2.62.020 D, states that “The City Council shall appoint one member of the student body of the Coronado High School to sit with the Commission.”

The Parks and Recreation Commission is seeking applications from high school students for the non-voting position of student representative. The representative must be interested in city government and recreation. Ideal candidates would desire to gain insight and experience in local government and act as a liaison between the high school population and the recreation department. The commission is interested in ideas of how to better serve the high school students with the many resources and facilities the city has available.

The student representative will participate by:

- ◆ Attending monthly Park and Recreation Commission Meetings the second Monday of each month at 3:30pm in Coronado City Council Chambers
- ◆ Reporting to the Commission on high school events and news
- ◆ Planning ways to get high school students involved in the community, recreation, and possible challenges of involvement
- ◆ Reporting back to peers on meetings and share feedback from student body, faculty, neighborhoods and the public
- ◆ Opening a Parks and Recreation Commission Meeting under the supervision of the Chair.
- ◆ Interviewing one or more of the recreation supervisors

Student candidates will submit an application (please see attachment) and be selected by the Commission and City Council. They will serve a one year term beginning in September and ending in June. Candidates must be in high school or have started high school by the beginning of their term. As an incentive for participation, the selected student representative will obtain community credit, build their resume and receive a commendation of services provided at the end of their term by the Council.

Please submit your finalized application to recdept@coronado.ca.us or directly to the front desk at the Coronado Community Center, 1845 Strand Way, Coronado, CA.
