**Footnote:** On April 3, 2012 the City Council amended City Council Policy #6 a policy to add the restriction that “No member of a Board, Commission, or Committee may serve in an appointed position on more than one body at the same time to afford more citizens the opportunity to be involved in serving on City commissions.” The Mayor, who requested the rule, noted that members who are currently serving on more than one board or commission were grandfathered until their term limits shall be reached with their current commissions.
