

**Statement of Qualifications for Ballot
Coronado City Council 2016
Candidate: Whitney Benzian**

I am running for City Council because I am passionate about Coronado. I grew up here and am raising my family here. I want to maintain our renowned quality of life, while bringing a fresh set of eyes to old problems.

My balanced experience in municipal government and in the private sector will help our city strategically plan for future challenges. I work as the Executive Director for a non-profit trade organization and am a small business owner. Prior to this, I was a senior policy advisor and public relations executive in San Diego's government and private sectors. I'm experienced with municipal budgeting, traffic and land use management.

My leadership experience in local and regional organizations include: President of Coronado Historical Association and of the Coronado Active 20-30 Club; Director of Coronado First Bank, WildCoast, Coronado Island Film Festival, Downtown San Diego Partnership and the Coronado Yacht Club Membership Committee.

I received my B.A. from Sarah Lawrence College and my Master's in Public Policy from Pepperdine University.

Coronado is a wonderful City with much to be proud of. It would be my honor to receive your vote and represent you. To learn more, please visit my website: www.VoteBenzian.com. Thank you.

CORONADO CITY COUNCIL MEMBER

Mike Donovan
Businessman

Age: 64

As a 40-year resident of Coronado, my number one priority will be preserving residential quality of life and ensuring that residents are fully represented at City Hall. I have a deep understanding of the challenges facing Coronado and will focus on: Reducing building density and advocating for historic preservation; addressing commuter/visitor traffic problems; developing a long-term tourism management strategy; working closely with the San Diego County Regional Airport Authority in preparing the Airport Land Use Compatibility Plan (ALUCP); and expanding the dialogue with the Navy to address impacts of base operations on residential neighborhoods.

I have a professional background in leadership, fiscal management, and collaborative problem solving, including Navy experience as a nuclear line officer and ship system design manager on active duty, as well as two executive officer and three commanding officer assignments in the reserves. I worked for 33 years in the civilian sector, where I served at the director level for a subsidiary of Caterpillar Inc., with responsibilities that included overseeing budgets in excess of \$100M, managing staffs of 100+ employees, and directing quality and process improvement across disciplines.

I look forward to serving Coronado residents and thank you for your support.

Attorney

Coronado is a beautiful, desirable city comprised of educated, hardworking people who have common sense.

I am a (25) year veteran of the San Diego County Sheriff Department and an attorney. As a sheriff/investigator I worked in Encinitas, Del Mar, Lemon Grove, Spring Valley and Bonita. I assisted with neighborhood watch programs and DARE programs at the schools.

I worked in the retail/restaurant industry for over (15) years. I was manager of a Walgreen Drug store and the owner/operator of two sandwich shops.

I believe in the Rudy Giuliani "Broken Window Philosophy". Fix the small things and the big things will fix themselves. The problems with traffic, graffiti, loud cars/motorcycles, bicycle/skateboards, dirty alleys, etc., can be reduced by traffic and code enforcement. Attaching a bicycle/pedestrian tunnel (Transient Bridge) to the Coronado Bridge would be a disaster. We don't have a homeless problem in Coronado but look at the homeless crisis in San Francisco, Pacific Beach and San Diego. "If you build it they will come." (Field of Dreams 1989).

I am married and have four children.

Marvin Heinze

Age: 59

Homeland Defense Advisor

I am dedicated to protecting our community and improving our quality of life. My 28-year active duty military career as a Navy Explosive Ordnance Disposal Officer, subsequent work in homeland defense and past decade of involvement with our city government afford me the skills and problem solving abilities needed on the Coronado City Council.

An experienced leader in crisis response, I am able to focus on maintaining community security (police, fire, and emergency planning). My degrees in Architecture and Mechanical Engineering prepare me to effectively contribute to issues such as appropriate construction and zoning standards (RSIP), traffic mitigation planning (pedestrian, bicyclists and motorists), and infrastructure revitalization. Raised by depression era parents, I have conservative financial attitudes and will protect our city resources.

Having been directly engaged in city government, both in Coronado and other communities, I am ready to represent our community on the City Council. I am currently the Vice Chairman of the Coronado Planning Commission, and served on the Coronado Community Emergency Response Team Board, the Coronado Street Tree Committee, and the Board of Directors for the Coronado Cays Homeowners Association.

Business Management

Coronado's greatest assets are its residents. I came to Coronado on vacation when I was 19 years old, and instantly knew this was home for the rest of my life. I came from a small town in Indiana where the locals worked together and preserved the town's character above all else. That sense of community left a lasting impression on me and what I am very passionate about. A price tag cannot be put on Coronado's history and character and it's that heritage I want to protect above all else.

As current Lions Club President and manager of a local business for the past ten years, I listen to residents' concerns daily. I share their views that Coronado has taken a wrong turn. It's time to regroup, refocus, and get back on track to maintaining what makes Coronado great.

The time has come to ensure that the residents' voices are heard above all else. Our laws need to be enforced. Selling out the town must come to an end, and we must implement new ordinances that will protect Coronado's long term integrity for future generations. My mission is to preserve and protect Coronado forever.
