

The background of the flyer features a large recycling symbol (three chasing arrows) in shades of green and blue at the top. Below it is a stylized illustration of a recycling bin with a black lid, colored in yellow, orange, and brown. At the bottom, there is a green recycling bin with a white lid. The text is overlaid on these graphics.

WHAT YOU NEED TO KNOW ABOUT RECYCLING REQUIREMENTS FOR APARTMENTS

Why recycle?

- **State law now requires that apartment/multi-family housing with 5 or more units must recycle. The City of Coronado's Mandatory Recycling Ordinance requires all residents to recycle.**
- Recycling may provide opportunities to save money.
- Recycling helps conserve resources and also helps create a healthy environment for our community and future generations.
- Many apartment residents are requesting recycling. Providing recycling helps promote your community as environmentally friendly and may help fill vacancies.

How to get started

It's easy to recycle.

- Use the information on the other side of this flyer to help your residents learn what they must do and what items can be recycled.
- Make sure residents separate recyclable items from trash inside their home.
- Tell residents they must place recyclable items in outside recycling containers for collection.
- Make sure residents know where outside recycling containers are located.

Note: Any business or individual may donate, sell and/or otherwise arrange for the pickup of recyclable materials.
