County:

San Diego County

RECOGNIZED OBLIGATION PAYMENT SCHEDULE (ROPS III) -- Notes (Optional) January 1, 2013 through June 30, 2013

	Sandary 1, 2013 tillough Sun e So, 2013
Item #	Notes/Comments
1	Line Items # 11 through #19 are debt service for loans between the former CDA and the City. Per Section 34178 of ABX1 26, these loans were reentered into by the Successor Agency and approved by the Oversight Board.
,	The RPTTF funds requested for ROPS 2 were not sufficient to cover the six months of projected expenses listed, therefore the expense listed in ROPS 2 is carried forward and repeated on ROPS 3.
	Line #22 & #23 - The Owner Participation Agreement with the Coronado Hospital Foundation provides that funds be made available according to a pre-determined annual schedule. These funds are to be used for constructing capital improvements to the
3	Coronado Hospital. Due to insufficient funds, the scheduled payments will be deferred to subsequent ROPS.
4	Line #29 - Successor Agency contests the State's (DOF) denial of this enforceable obligation and continues to contend that this is a valid enforceable obligation of the Successor Agency.
5	Line Item #34 & #35 - Source of funds would have been LMIHF but fund was depleted by the "True up" demand payment of \$2.4 Million.
6	Line Item #36 is an affordable housing agreement with Jon Ryan in which the term of the agreement was reduced; therefore, the outstanding enforceable obligation and total due for this fiscal year reflects this change.
	Line Item #40 on the ROPS shows the paydown amount for the Dock A&B Loan Payments which will be paid in FY 2013. Previous loan amount was \$4,843,110.40 and the City Council/SA approved the pay down amount of \$1,410,000 and cancelled the
	loan on August 21, 2012.
8	Line Item #41 on the ROPS is the remaining Housing Bond Proceeds from the 2005 TABS for Low Moderate Income Housing to be spent on rehabilitation of affordable housing units.
9	Line Item #42 on the ROPS is the budget amount for the Oversight Board's legal counsel.
10	Line #43 and #44 are estimated amounts for the AB 1484 AUPs due diligence for Low Moderdate Income Housing Fund (\$25k) and the all other assets (\$50k).
11	 Line #45 - "True up" demand payment was made under protest.
	Wherever non-RPTTF sources are indicated as the source of funding for a particular enforceable obligation, the Successor Agency (SA) has assumed that such non-RPTTF sources are committed and will not be determined to be excess, uncommitted
	cash balances that will need to be transferred by the SA to the County Auditor after the completion of the two-part due diligence accounting review in accordance with Sections 34179.5 and 34179.6. The SA reserves the right to object to any future determination that is contrary to the above assumption, on the basis that the SA would have identified the source of funding as the RPTTF, rather than reserve balances or other non-RPTTF sources, if the SA had known at the outset that the non-RPTTF
12	funds held by the SA would be "swept" to the County Auditor and would not be available in the future to pay enforceable obligations.
13	On ROPS No. 1 and No. 2, the Successor Agency listed enforceable obligations related to the Glorietta Bay Marina and Boathouse 1887, which were leased premises of the former CDA. These obligations were paid solely by marina/restaurant revenues. Subsequently, this lease between the City, the Port District and the former CDA/Successor Agency expired and was not renewed. There are no further obligations related to these properties so they no longer appear on the ROPS.
	Line 19 F - Boathouse Clubroom project - includes the encumbrances as of 6/30/2012 to complete the construction which is in its final phase.
15	Line 21A - CUSD Capital Improvement Projects Includes the encumbrances as of 6/30/2012 which are in their final phase.
16	This is the City of Coronado's estimate for the anticipated RPTTF, the County Auditor did not provide a number.
17	Line H on the Summary page does not include expenditures against line G (RPTTF) that occurred between June and December 2012. The calculation methodology is therefore flawed because the EOPS and ROPS 1 relied upon this revenue stream.
18	The admin expenses for January through June 2012 include reimbursements to the City of Coronado for admin expenses during between June and December 2011

Name of Successor Agency: County: The City of Coronado Acting as the Successor Agency to the former Community Development Agency of the City of Coronado San Diego County
